*Instances of ILL MANNERS, to be
carefully avoided by youth of both sexes.*

OMITTING to pay proper re-
spect to company, on entering
or leaving a room; or paying it only
to one person, when more are present.

Entering a room with the hat on,
and leaving it in the same manner.

Setting still on the entrance of your
instructor, strangers or parents.

Omitting the proper attention,
when waited on by superiors.

Passing between the fire and persons
sitting at it.

Whispering, or pointing in compa-

ry, and standing between the light and any person wanting it.

Contradicting your parents or strangers who are any way engaged in conversation.

Laughing loudly, when in company, and drumming with feet or hands.

Swinging the arms, and all other aukward gestures, especially in the street, and in company.

All actions that have the most remote tendency to indelicacy.

Leaning on the shoulder, or chair of another person, and overlooking persons who are writing or reading.

Throwing things instead of handing them, and crowding others in a passage, or running against their elbows.

Contempt in looks, words, or actions, for a partner in dancing, or other persons.

All instances of that ill judged familiarity which breeds contempt.

Lolling on a chair when speaking or when spoken to, and looking persons earnestly in the face without any apparent cause.

Surliness of all kinds, especially on receiving a compliment.

Distortion of countenance, and mimicry.

Ridicule of every kind, vice or folly.

A constant smile or settled frown on the countenance.
